

STATE PARK SHELTER RENTAL KEG BEER POLICY AND PROCEDURES

Definitions:

“Beer” is defined in Iowa Code 123.3(7). The alcohol content of beer cannot exceed five percent by weight.

“Kegger” or “Keg Event” means a gathering of two or more persons at which beer is dispensed from a keg or other container larger than one gallon.

Any person wishing to have a keg event with a shelter rental should fill out a keg beer permit **30 days prior** to the rental period. The completed keg beer permit must be sent to the appropriate state park office where the rental is taking place. It is recommended that you contact the park office before sending in the permit application to discuss any details involving the rental and keg event. Kegs are not allowed on beach areas, in campgrounds, or in parking areas.

The following procedure applies:

1. A designated agent shall be named who shall sign the keg beer permit/responsibility agreement. **Please be sure to write down the shelter reservation confirmation number.** (attached)
2. The designated agent shall be available for personal contact by department of natural resources park staff at all times while the keg event is being held.
3. The designated agent shall pay a deposit of \$100 per 100 people, or portion thereof, to department of natural resources park staff to hold as a damage deposit for the keg beer permit.
4. The agent shall assume responsibility to assure that all state laws are complied with in the conduct of persons attending the keg event and that the area used for the keg event is left in a clean, uncluttered condition and no state property damaged beyond the extent of normal wear and tear.
5. Conducting or continuation of the keg event shall be contingent upon the persons involved complying with all applicable state laws including but not limited to Iowa Code section 123.47 and Iowa Code 461A and rules promulgated under those chapters.
6. The agent shall inform department of natural resources park staff when the keg event is concluded and attendees have left the area.

DAMAGE DEPOSIT INFORMATION:

The damage deposit shall be refunded in full or on a prorated basis depending upon the condition in which the site is left after the keg event is held. If it is necessary for department of natural resources personnel to clean up the area or repair any damage beyond ordinary wear and tear, a log of the time spent in such clean up or repair shall be kept. The damage deposit refund shall be reduced by an amount equivalent to the applicable hourly wage of the employees for the time necessary to clean the area or repair the damage.

The damage deposit is not to be construed as a limit of liability for damage to state property. The department of natural resources may take any legal action necessary to recover additional damage.
